

Büselik Şarkı

Enîsü hem-demim âh ü mihendir

Yürük Semâî

Aranağme

Enis ü hem-demim âhü mihendir
Gönül feryad eder bilmem nedendir
Gözümde gördüğüm güller dikendir
Gönül feryad eder bilmem nedendir

Bina-yı sabrî sâmanım yıkıldı
Derûnum âteş-i gamdan yakıldı
O yarın cevrine cânım sıkıldı
Gönül feryâd eder bilmem nedendir
