*Batarken ufuktan bu akşam güneş
Gönlünde bir acı yandı mı Leyla*

*Sevgimin goncası daha solmadan
Emeller hasrete kurbandır Leyla*

*Ararken her mahluk kendine bir eş
Dudağın benide andı mı Leyla*

*Ölürsem kalbine aşkım dolmadan
Ruhumda bu acı hicrandır Leyla,
Leyla, Leyla, Leyla ah Leyla*

*Sorarım doğunca gece yıldızlar
Gözlerin onlardan güzel mi Leyla*

*Yâdında bilmem ki hangi füsün var
Ruhumu okşayan bir el mi Leyla*
